Every woman knows that nothing is more annoying or embarrassing than her reputation as a carefree housekeeper than vermin, cockroaches, water bugs, etc., in the house.

Every woman should know of the reliable exterminator for all vermin of this nature—Termites, Fleas, Rat and Mouse Paste. This paste is effective and will not damage any part of the house to the life. Put in sinks and on shelves at night, cockroaches and water bugs are dead in the morning.

BRAZIL MUTINY
SOON QUELLED

(Associated Press Cable.)

RIO DE JANEIRO, Dec. 11.—Beaten down by a tremendous cannonading, the insurrection of troops on the Isle of Cabo met a bloody death late last night, when the last broadsides from the mammoth dreadnaughts had crippled the fort and ships in the hands of the revolutionaries.

Two hundred marines and sailors of the scout ship Rio Grande do Sul have been killed, while, saved by heavy armor and heavier land defenses, the loyal army and navy have suffered nothing from the fire from the island forts.

The men of war which recently threatened the capital city with their guns, manned by mutinous sailors demanding higher wages, were the government's main support in this, the first uprising in many years.

It is believed that the seditions movement has been throttled, but the Senate late yesterday afternoon, in special session, voted to place the mutinous districts under a state of siege for thirty days.
